Everyday Play

- The Growing Brain Module 7

VIRTUAL - Play is a way children learn how objects in the world work; how people think, feel and act; and how to problem solve. Play also creates natural opportunities to practice and build important skills such as communication, advance planning, managing emotions, and building relationships. Play allows children to develop logical and critical thinking and build creativity and imagination. Everything a child needs to be successful socially and academically can be achieved through play.

CAMDEN COUNTY DEPARTMENT OF CHILDREN'S SERVICES

Your Child Care
Resource & Referral Agency
for Camden County

The Department of Children's Services has been providing assistance to families, child care professionals, and the community since 1971. As the Child Care Resource and Referral Agency for Camden County, it is our goal to:

- Promote and support high quality child care that is affordable and available for all families.
- Offer professional development opportunities and technical assistance to child care programs.
- Work with local officials, schools, employers, and the childcare community to help develop child care programs that meet the expanding needs of our families and the demands of our economy.

The Federal Child Care Development Block Grant (CCDBG)

Reauthorization Act of 2014 increases the health and safety requirements for all child care and early learning programs that accept child care subsidies. All staff working in child care programs are required to complete the following trainings to meet the CCDBG reauthorization requirements. All new staff need to complete their required training within 2 weeks of their hire date:

- **Health, Safety, and Child Growth and Development/Mandated Reporting (10 hours)** - available at no cost on-line through NJCCIS.com or virtually through our agency.
- **Pediatric/Adult CPR/First Aid (6 hours) - in person training only**
For more information or to register for a CPR class, please contact Mary Ferro at (856) 374-5122 or mary.ferro@camdencounty.com.

Grow NJ Kids is a state-sponsored initiative to raise the quality of child care and early learning throughout New Jersey.

This quality rating and improvement system gives child care and early learning programs resources to assess and improve their programs while providing parents with information that allows them to evaluate the quality of programs and make the best choices for their child. The goal is to create a system that encourages ongoing improvement.
