## Introduction and Background

The Camden County Division of Senior & Disabled Services was among the first county offices on aging in the state when it was created by the Camden County Freeholders in 1967. It was 1968 before the office had a small budget and a one-person staff.

Under these limitations the office organized local senior citizen groups and provided some recreation. The agency's scope grew after being designated an Area Agency on Aging in 1973 and assumed the local responsibilities for implementation of the Federal Older Americans Act. Today, the Camden County Division of Senior & Disabled Services administers a budget totaling more than \$4.5 million and supervises numerous senior programs throughout the county. In addition, the Division of Senior Services serves as the central clearinghouse for all senior programs in the county, regardless of their funding sources.

In 1998 The Camden County Division of Senior & Disabled Services became a part of NJ EASE (Easy Access Single Entry). NJ EASE is a new and easy way for seniors to obtain information and services. NJ EASE means a single agency will service the needs of our seniors and their family members.

In the early summer of 2012, the Camden County Division of Senior and Disabled Services became ADRC (Aging and Disability Resource Connection) accessible. The ADRC (Aging and Disability Resource Connection) is a program to connect seniors aged 60 & older and people with physical disabilities 18 years of age and older with the services they need to continue living independently in the community for as long as possible. The ADRC serves as your doorway to information and assistance on the full range of public and private long-term care services available in New Jersey. The ADRC strongly supports consumer-directed care in which the consumer is in control of making personal care decisions based on assessed need, informed choice, and community service availability.

## Carol Norcross Senior Social Wellness Center

### About the Center

In 2015, the Camden County Board of Commissioners held a dedication and ribbon cutting of the new Carol C. Norcross Senior Social Wellness Center in Blackwood, New Jersey. The center is dedicated to Carol Norcross, the inspirational director of the senior day center. Under her leadership, the program and center expanded to further her vision of keeping senior citizens active and socially engaged. Carol, the mother of Congressman Donald Norcross, served Camden County residents for two decades.

## Purpose of the Social Wellness Center

To provide the opportunity to active adults for individual social interaction and companionship with their peers in a quality environment. To support and enhance the sense of personal worth and independence through meaningful activities and programs. To offer support systems for families with care giving responsibilities. To offer a comprehensive active adult program which stresses a holistic approach to meet the physical, emotional and social needs of its members which will delay, reduce or prevent inappropriate or premature institutionalization of the older person.

Our center is free to Camden County residents 60 years or older (a small fee is required for crafts). The center is open from 8 AM until 4 PM, Monday through Friday. Participants may attend the center two or three days per week.

## Emergency services

### 211

Call 211 for the most up-to-date emergency resources.

Need Help? Start Here.

NJ 211 is a nonprofit organization that provides the 211 Service to the residents of New Jersey. This is a valuable information and referral service that connects people in need with a variety of health and human service programs. The 211 Service provides a hotline that operates 24 hours a day, every day of the year and an online, searchable directory of over 6,300 government and nonprofit programs which is found on our website.

Our services are free, confidential, and multilingual. There are several ways to get help:

- Dial 2-1-1
- Text your zip code to 898-211
- Email [info@nj211.org](mailto:info@nj211.org)
- [Chat with us at nj211.org](#)
- [Search our social service directory](#)

Whichever method you choose, you will be communicating with a skilled community resource specialist who cares and has been trained on federal, state, and local programs created to help people who are struggling with life's most basic needs. Our specialists search our social service directory to assist people who need help with life's most basic needs like food, utilities, housing, mental and physical health, substance use disorders, childcare, senior needs, legal assistance, transportation, disability services and so much more.

Over the years, both government and nonprofits have partnered with NJ 211. Today, in addition to the 211 Service, we serve as the State's [Home Energy Assistance Hotline](#), [Homeless Hotline](#) and [Addiction Helpline](#). Each of these has dedicated specialists, who will screen and assess each caller. Our [Programs page](#) describes them further.

In 2023, we published our first public data dashboard. This provides a detailed view of the contacts, caller demographics, needs by location and referrals made monthly. This information is very helpful in identifying trends, resource gaps and advocating for change.

## **Long-Term Facilities in Camden County**

Licensed by the New Jersey State Department of Health. For individuals not requiring hospitalization, provides 24-hour medically supervised patient health care. A registered nurse and a plan determine the level of care prepared for each individual. The plan includes assistance with activities of daily living, and drug administration as well as provision of physical, speech, outpatient, and other therapies. Nursing homes may be appropriate for people with catastrophic illnesses; debilitation or chronic changes in mental or physical status; multiple hospital admissions with past 6 months; previous nursing home admission within last 2 years; major

health needs. All licensed nursing homes must provide: 24-hour skilled nursing care; personal care; pharmacy; dining; activities; recreation; housekeeping; social work; and transportation.

Cost of services: Since nursing home care is the most medically intensive of the long-term care services, it is also the most expensive. For those that meet clinical and financial qualifications, both Medicare and Medicaid programs pay for nursing home services, although Medicare coverage for nursing home care is limited. Some are private based.

## **Subsidized Housing for Seniors**

Subsidized housing is generally in the form of garden apartments, attached housing, or apartments in high-rise or mid-rise buildings. The units have been specially designed for people who are age 62 or older and the handicapped. Construction or rental costs are financed by the state or federal government. Sponsors of this housing include non-profit or limited profit organizations or public housing authorities.

According to the Federal Administration on Aging, preference for federally funded housing is given to people who are paying more than 50% of their income in rent, are being displaced from their homes or live in inadequate housing. In some buildings recreational activities and support services such as meals, housekeeping or transportation are provided. Some facilities offer congregate services (housekeeping, meals, & personal assistance) that may be included in the rent or purchased separately.

### Legal Services

#### Community Health Law Project

Founded in 1976, the Community Health Law Project (CHLP) is a statewide not-for-profit advocacy and legal service organization which provides legal representation and advocacy services to low-income individuals with disabilities and the frail elderly. The organization has traditionally specialized in services exclusively for these populations, although recently the organization has begun to provide broader services through the creation of medical-legal partnerships that offer the entire range of civil law.

## PATCO

PATCO's Reduced Fare Program (RFP) allows eligible individuals to travel between any two PATCO stations during off-peak hours for \$0.70, regardless of distance traveled. The reduced fare is set as half the lowest full fare. To take advantage of the RFP discount, you must apply and qualify for the RFP FREEDOM Smart Card.

### Eligibility

#### Medicare Card Holders

Senior Citizens: All persons 65 years of age or older.

Disabled: Persons with certain physical challenges, including anyone with a Medicare card.

Discounts available on weekends: All day Saturday and Sunday, weekdays: 9 a.m. to 4 p.m., and 7 p.m. to 6 a.m.

All RFP members will receive a photo ID FREEDOM card. FREEDOM is a stored value card that takes the place of a ticket. Once you load value on the card, touch it on the yellow target at the fare gate. The computerized fare collection system records your entry. The time you enter determines whether you ride at the discounted or full fare. Come in person to a FREEDOM Card Service Center to sign up and have your picture taken.

### **Please bring a Medicare Card and photo ID.**

Seniors - Please bring with you a photo ID and proof of age (driver's license, birth certificate, Medicare card, or other document showing your date of birth).

Disabled - If you have a Medicare card, bring it and photo ID to Broadway. In lieu of a Medicare card, persons with physical challenges should call 1-877-373-6777. Bring the application, including a statement by a currently licensed, practicing physician describing and certifying the degree of disability and that this disability significantly impairs one's ability to use public mass transportation, to the Customer Service Center at Broadway. Eligibility status may be limited by the nature and type of disability.

Your FREEDOM card is balance protected. If you lose your card, call 1-877-FRDM-777 (1-877-373-6777). From the moment you notify us, the balance will be held for you and placed on another card. (The cost to replace a lost card is \$5.)

The new FREEDOM fare collection system includes new, wider, ADA-compliant fare gates at all PATCO stations. Elevators are located at Lindenwold, Ashland, Woodcrest, Haddonfield, Westmont, Collingswood, Ferry Avenue, Broadway, 8th & Market, 9/10th & Locust and 15/16th & Locust Street Stations. All other stations (except City Hall and 9th/Locust Street) have an escalator that operates in the "up" direction.

If you have any questions after reviewing this website, you may call us at any time at (856) 772-6900 or (215) 922-4600 or call 1-877-373-6777 between 7 a.m. and 7 p.m. on weekdays.

## NJ Transit

### Reduced Fare Program

If you're a senior or a person with a disability, you can enjoy greater traveling freedom and lower fares! When you ride with NJ TRANSIT's Reduced Fare Program, you can save 50% or more on a regular one-way fare.

Special rates are available for seniors 62 years of age\* or older and people with disabilities. Personal assistants ride for free when proper identification is presented by the person with a disability. And you don't need to be a New Jersey resident to be eligible for the program.

\* 65 years of age for travel to/from Metro-North Railroad stations.

You can ride on **all** NJ TRANSIT buses, trains, and light rail vehicles at the reduced rate. Many private bus companies operating in the state also participate in the program.

Seniors 62 and older and people with disabilities may take advantage of the reduced fare **at any time** on all trains, buses, and light rail vehicles.

Passengers with disabilities simply show your valid NJ TRANSIT Reduced Fare ID or Medicare Card to the bus operator, light rail vehicle operator, or train conductor and present the appropriate fare. Seniors may be asked to present a valid ID to get the reduced fare.

Allowable IDs for seniors 62 and older include any ID or document printed with your date of birth and issued by a government, social service, or mass transportation agency. This includes an NJ TRANSIT Reduced Fare ID; Medicare Card; Valid Driver's License; Valid Passport; Birth Certificate; Valid State-Issued Non-Driver's ID; County, Medicaid, or Military ID; MTA Reduced Fare Card; PATH Senior Fare Card; or PA Senior Citizen Transit ID or PACE Card. On interstate private buses (most buses not marked NJ TRANSIT), you must also present a Reduced Fare Coupon each time you ride.

The free NJ TRANSIT Reduced Fare ID/Card is upgrading to a personalized identification card valid for four-years. For identification, your new card will include a recent photograph. Before your current Reduced Fare ID Card expires, you will be advised to complete the application and provide a recent photo to be issued your new photo ID.

Senior citizens and people with disabilities who do not have a qualifying form of identification may obtain a personalized Reduced Fare ID/Card as follows:

#### **Apply Online**

<https://reducedfare.njtransit.com>

#### **Seniors**

Fill out and return the completed form including proof of age and recent photo to:

#### **Reduced Fare Program**

One Penn Plaza East, 5th Floor, Newark, NJ 07105

You may also fill out an application at most local banks, savings and loan associations, or county Offices on Aging. You must present a Social Security Card and proof of age (a birth certificate or a driver's license.) NJ TRANSIT Reduced Fare Card/Reduced Fare ID applications are also available at the NJ TRANSIT Customer Service offices at Newark Penn Station, New York Penn Station, Hoboken Terminal, and the Port Authority Bus Terminal. Or, you may obtain the application by calling Camden County Senior and Disabled Services at 856-858-3220.

## Camden County College Dental Clinic

The Dental Hygiene Clinic at Camden County College operates to provide educational experiences for our students in order to prepare them to become licensed registered dental hygienists. To that end, we make our clinical services available to any member of the community at a reasonable cost.

The preventive services of cleanings, x-rays, athletic mouth guards, plaque control, fluoride treatments, sealants, and nutritional counseling are offered. We are committed to providing the highest standard of care for our patients within the scope of Dental Hygiene Practice as established by the New Jersey State Board of Dentistry. The Clinic is open to the public and is under the supervision of a licensed dentist. Services are performed by students who are monitored by licensed hygienists.

The clinic is located on the Blackwood campus in the Kevin Halpern Hall for Science and Health Education, Room 107.

Appointments can be made by calling the reception desk at (856) 374-4930. Appointments for oral prophylaxis (cleaning teeth) are scheduled for three hours

The Dental Hygiene Clinic, located in Kevin Halpern Hall, room 107, will be open for patients according to the following schedule:

Fall semester: September-December

Mondays – 9 a.m. to 12 noon, 1 p.m. to 4 p.m.

Wednesdays – 9 a.m. to 12 noon, 1 p.m. to 4 p.m.

Thursdays – no morning hours, 12:30 p.m. to 3:30 p.m.

## Equipment Distribution Program

The cost of assistive communication devices can be very expensive. Since 1993, the Division of the Deaf and Hard of Hearing (DDHH) has operated a program to ensure that New Jersey residents with hearing loss, regardless of their economic status, have access to critical telecommunications and visual alerting home safety equipment needed to live independently.

The "Equipment Distribution Program" is now offering wireless devices. Offering these devices works to ensure that deaf and hard of hearing residents have access to critical information, services and supports being delivered remotely through online platforms that include telehealth services, emergency information, telecommunications, and other vital communication needs.

Individuals unable to afford the costs of assistive communication devices may apply to the "Equipment Distribution Program" for assistance. Upon meeting eligibility requirements, individuals may receive communication devices free of cost from the DDHH.

## **Hearing Assistance to the Aged and Disabled**

### **Hearing Aid Assistance to the Aged and Disabled (HAAAD)**

#### **Program Summary**

- HAAAD provides a \$500 reimbursement to offset the purchase of a hearing aid, or \$1,000 for two hearing aids.
- One reimbursement is allowed per calendar year. If a hearing aid is purchased in a subsequent calendar year, a new HAAAD application is required.
- "Hearing Aid" means a custom-fitted ear-level or body-worn electronic device which enhances communication for the hearing impaired.
- Beneficiaries must be currently enrolled in the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program or Lifeline Utility Assistance (Lifeline) program, or;
- Meet the PAAD and Lifeline eligibility criteria described below.

#### **Program Criteria**

If you are currently enrolled in the PAAD or Lifeline program, you must complete a HAAAD application and submit the following documentation:

- A receipt for the purchase of your hearing aid.
- A written statement from your physician attesting to the medical necessity for obtaining a hearing aid.

If you are NOT currently enrolled in the PAAD or Lifeline program, you must complete an NJSave Application online.

For additional information call our toll-free Hotline at **1-800-792-9745**.

## Disabled Placards and License Plates

Individuals who meet the medical qualifications are eligible to choose from one of three options:

- One (1) set of wheelchair symbol license plates
- One (1) person with a disability placard
- One (1) set of plates and one placard

Qualified applicants receive one set of wheelchair symbol license plates for a vehicle registered either to the qualified person with a disability OR to one family member who provides the qualified person with transportation (aka driver). See the Qualifications page for detailed information.

The *Persons with a Disability* placard will authorize the driver to park any vehicle in a wheelchair symbol parking space so long as the qualified person designated on the *Person with a Disability Identification Card* is in the vehicle and has their ID card with them.

The individual who holds the *Person with a Disability Identification Card* must be in the vehicle or with the driver at all times as proof of disability. The Card is non-transferable and must be with the individual at all times to utilize the wheelchair symbol parking privileges.

## Non-Drivers ID

New Jersey residents 14 years of age and older may apply for a non-driver photo identification (ID). The non-driver ID is issued solely for the purpose of providing identification and is not a license to drive.

If customers have driver's licenses from another state, they are not eligible for a non-driver ID card. Customers that are suspended can downgrade to non-driver ID Card until their suspension is resolved. Customers can schedule an appointment and complete and bring a Non-driver ID Application (Form BA-208).

This non-driver identification card must be obtained by scheduling an appointment at any Licensing Center.

The fee for renewal of the non-driver ID card is \$24, the fee for a duplicate or lost ID card is \$11.

Renew your non-driver ID online

Obtaining a non-driver identification card

- All initial non-driver identification cards must be obtained in-person by scheduling an appointment and any Licensing Center.
- Complete the Application for Permit/License/Non-Driver ID (Form BA-208).
- Pass the 6 Points of ID requirements.
- Pay the \$24 fee. For your convenience, the MVC accepts American Express® card, MasterCard®, Visa® card, Discover card®, checks, money orders and cash.
- Your new non-driver ID will be mailed to you.

Obtaining a non-driver identification card (persons with a disability)

Any New Jersey resident 14 years of age and older with a disability can apply for a non-driver ID, issued solely for the purpose of providing identification. It is not a license to drive and cannot be used to park in a person(s) with a disability parking space. There is no renewal fee for this non-driver ID card. For more information on Person(s) with a disability parking, visit: Wheelchair symbol Plates and Placards.

- Follow the steps noted above to obtain a non-driver ID card. In addition, have a physician complete the Physician Certification for Blind or Disabled Person, Non-Driver ID Application.
- A \$6 fee will apply. For your convenience, the MVC accepts American Express® card, MasterCard®, Visa® card, Discover card®, checks, money orders and cash.
